

BASF Antwerpen NV

Our BASF colleagues work together worldwide to develop innovative solutions and advanced concepts. With our slogan "We create chemistry" we mean our production of high-quality products and intelligent solutions. BASF plays an important role in finding answers to global challenges such as energy efficiency, nutrition & mobility. BASF welcomes dynamic, passionate and creative team players. BASF Antwerp offers a pleasant work environment, solid training tools and an active job rotation policy. We also offer an attractive salary and extensive package of benefits, f.e. company car, 38 vacation days, smartphone, internet allowance and an interesting insurance package.
